SUGI BEE GARDEN

杉養蜂園

はじまりは、3箱の巣箱から。

At first, we started with three beehives.

As a beekeeper company, Shan Bee Farm has been engaged in integrated business such as bee breeding, honey collection and sales for more than 70 years since its establishment.

In every aspect of corporate activities, we have always been independent of others, insisting on handmade production and delivering high-quality products to customers.

Grapefruit Honey 1000g

The rich "yuzu" flavor is enhanced by our proud honey.
The combination of yuzu juice and the sweetness of honey makes it
a perfect dish that brings a peaceful time.

Kyoho Grape Honey 1000g

Honey is mixed with Kyoho grape juice.

Kyoho grapes have a rich aroma and an elegant taste.

In Europe, Kyoho grapes are called "field milk" and are rich in minerals and polyphenols.

It can be used as jam on toast, yogurt, etc., or diluted 5 times with water or hot water as a drink.

It is also delicious when mixed with soju and soda water as a special cocktail.
