

# MILK BATON

京 KYOTO 都

# About us

\*\*MILK BATON\*\* is a new brand from the Hokkaido Development Group. With the mission of “Moving forward into the future together with Hokkaido and the world,” we strive to grow and innovate.

We meticulously select high-quality local ingredients and pursue a unique “texture” like no other.

Utilizing advanced Japanese production techniques, we ensure both the taste and nutritional value of our products.

With uncompromising dedication, we bring you desserts that are both delicious and healthy.

## The Sand (Matcha Langue de Chat)

### Product Features :

Kyoto's long-established tea wholesaler carefully selects matcha, paired with traditional French desserts, offering a sweet and romantic temptation for your taste buds. The natural, fragrance-free matcha aroma is refreshing, with a natural fragrance and a long-lasting aftertaste.

- Uses high-quality matcha from Kitagawa Hanbei Shop for superior flavor and texture.
- Does not use matcha flavoring commonly found in other matcha products; only the natural aroma and flavor of matcha are utilized.

A generous amount of whipped egg whites is added and baked, giving it a crispy texture.

Uses high-quality, fragrance-free matcha cream with a balanced taste of sweetness and bitterness.
